Todd C. Mellon

Performing the Duties of Principal Deputy Assistant Secretary of the Navy (Energy, Installations and Environment)

Mr. Todd C. Mellon, SES-3, is currently Performing the Duties of Principal Deputy Assistant Secretary of the Navy (Energy, Installations and Environment) in addition to his duties as Director for Sustainment within the Office of the Assistant Secretary of Navy (Research, Development and Acquisition).

Prior to joining the Secretariat, he was the Executive Director for the F-35 Lightning II Joint Program Office, where he was responsible for acquiring and delivering the Department of Defense's fifth-generation strike aircraft as well as the F-35 Global Sustainment Strategy for three US Services, eight Partner Countries and four Foreign Military Sales customers.

Mr. Mellon graduated from Embry-Riddle Aeronautical University with a bachelor's degree in Aeronautical Engineering in 1986. After graduating from the Logistics Intern Development Program in 1991, Mr. Mellon was promoted to assistant program manager for Logistics for the F/A-18E/F in 1997 and directed the acquisition planning and execution of the logistics support system and successfully developed and implemented the Naval Aviation's first platform level performance-based logistics support contract with industry. In recognition of this significant and unprecedented accomplishment, Mr. Mellon was awarded the Navy's Admiral Stan Arthur Civilian Logistician of the Year Award.

In December 2001, Mr. Mellon was selected as the Division Director for Logistics Information Systems. Mr. Mellon was appointed to the Senior Executive Service as the Director of the Design Interface and Maintenance Planning Department on July 24, 2005. In that capacity, Mr. Mellon led a national organization of over 1400 people and was responsible for ensuring supportability of newly developed weapon systems as well as for the establishment and sustainment of integrated logistics support for fleet operations and maintenance throughout the life cycle of Naval Systems. He was awarded the Presidential Rank Award in 2010 and is the recipient of the Navy Meritorious Civilian Service Award and the Defense Meritorious Civilian Service Award.
